ESSAY

Please write, in your own handwriting, the required essay on page four. You may use additional pages if needed. We want to know you better; and this essay is your opportunity to tell us about you. We want to know about your aspirations, accomplishments, experiences, and the influences, such as people, events, conditions, and observations, that have made you who you are and have determined the path you have chosen to take. Write about at least three of the above topics. Do not write about what being awarded a scholarship would mean to you and your family financially; we already know it would benefit you and your family.
